7 amended to read as follows:

8 a. [A] For members who first become members of a public retirement  
9 system of the state before July first, two thousand eleven, a member's  
10 final average salary shall be the average wages earned by such a member  
11 during any three consecutive years which provide the highest average  
12 wage; provided, however, if the wages earned during any year included in  
13 the period used to determine final average salary exceeds that of the  
14 average of the previous two years by more than ten percent, the amount  
15 in excess of ten percent shall be excluded from the computation of final  
16 average salary. For members who first become members of the New York  
17 state and local employees' retirement system or the New York state  
18 teachers' retirement system on or after July first, two thousand eleven,  
19 a member's final average salary shall be the average wages earned by

23 that of the average of the previous four years by more than eight  
24 percent, the amount in excess of eight percent shall be excluded from  
25 the computation of final average salary. Where the period used to deter-

2 without pay shall be excluded from the computation of final average  
3 salary and the month or an equal number of months immediately preceding  
4 such period shall be substituted in lieu thereof.

5 b. Notwithstanding the provisions of subdivision a of this section,  
6 with respect to members who first became members of the New York state

13 service included in the period used to determine final average salary  
14 exceeds the average of the wages of the previous two years of credited  
15 service by more than ten percent, the amount in excess of ten percent  
16 shall be excluded from the computation of final average salary. With  
17 respect to members who first become members of the New York state and  
18 local employees' retirement system and the New York city teachers'

25 salary exceeds the average of the wages of the previous four years of  
26 credited service by more than eight percent, the amount in excess of

5 ed one year salary, with the calculation based upon a twelve month  
6 projection of the sums earned in the portion of the year worked. If a  
7 member has been employed for more than one year but less than two years,  
8 then the member's final average salary shall be the average of the first  
9 year and projected second year earnings based upon the calculation  
10 above, and if more than two years, but less than three years, then one-  
11 third the total of the first two years of employment plus the projected  
12 third year's earnings, calculated as indicated above, provided that this  
13 subdivision shall not apply to a New York city revised plan member of  
14 the New York city employees' retirement system or a New York city  
15 revised plan member of the New York city teachers' retirement system.

16 d. Subject to the provisions of subdivision c of this section, and  
17 notwithstanding the provisions of subdivision a of this section, with  
18 respect to members of the New York city employees' retirement system and  
19 the New York city board of education retirement system who are subject  
20 to the provisions of this article, a member's final average salary shall  
21 be determined pursuant to the provisions of paragraph fourteen of subdi-

24 tions of the term "wages", as defined in subdivision 1 of section six  
25 hundred one of this article, shall apply to such determinations of final  
26 average salary.

1 § 17. Paragraph 2 of subdivision b of section 609 of the retirement  
2 and social security law, as amended by section 8-c of part B of chapter  
3 504 of the laws of 2009, is amended to read as follows:

4 2. Previous service credit shall not be granted unless such member  
5 applies therefor and repays the amount refunded by a public retirement  
6 system of the state for service rendered after July first, nineteen  
7 hundred seventy-six together with interest through the date of repayment  
8 at the rate of five percent per annum compounded annually and three  
9 percent of the wages earned for service prior to that date together with  
10 interest from July first, nineteen hundred seventy-six through the date

24 first becomes a member of the New York state and local employees'  
25 retirement system or the New York state teachers' retirement system on  
26 or after January first, two thousand ten, upon termination of employment  
27 shall be entitled to a deferred vested benefit prior to normal retire-

1 with the provisions of subdivision i of section six hundred three of  
2 this article as amended by section eight of part B of chapter five  
3 hundred four of the laws of two thousand nine. Anything to the contrary  
4 notwithstanding, a member of a public retirement system of the state who  
5 first became a member of such system on or after July first, two thou-  
6 sand eleven must have at least twelve years of credited service in order

23 service, other than such a member of either of such retirement systems  
24 who is entitled to a deferred vested benefit pursuant to any other  
25 provision of this article, shall, upon termination of employment, be  
26 entitled to a deferred vested benefit at normal retirement age computed  
27 in accordance with the provisions of section six hundred four of this  
28 article. Notwithstanding the provisions of subdivision a of this

1 section or any other provision of law to the contrary, a member of the  
2 New York city teachers' retirement system who holds a position repres-  
3 ented by the recognized teacher organization for collective bargaining  
4 purposes, who became subject to the provisions of this article after the  
5 effective date of this subdivision, and who has ten or more years of  
6 credited service, shall, upon termination of employment, be entitled to  
7 a deferred vested benefit prior to normal retirement age, but no earlier

17 § 19. Paragraphs 1 and 2 of subdivision a and subdivisions c, f and g  
18 of section 613 of the retirement and social security law, paragraph 1 of  
19 subdivision a as amended and paragraph 2 of subdivision a as added by  
20 chapter 10 of the laws of 2000, subdivision c as amended by chapter 389  
21 of the laws of 1998, and subdivisions f and g as added by section 9-a of  
22 part B of chapter 504 of the laws of 2009, are amended to read as  
23 follows:

24 1. Except as provided by paragraph two of this subdivision, members  
25 shall contribute three percent of annual wages to the retirement system  
26 in which they have membership, except that members who first become  
27 members of a public retirement system of the state on or after July  
28 first, two thousand eleven shall contribute six percent of annual wages

1 to the retirement system. The head of each retirement system shall  
2 promulgate such regulations as may be necessary and appropriate with  
3 respect to the deduction of such contribution from members' wages and  
4 for the maintenance of any special fund or funds with respect to amounts  
5 so contributed.

6 2. A member of the New York city employees' retirement system who is  
7 eligible to be a participant in the twenty-five-year and age fifty-five  
8 retirement program, as defined by paragraph five of subdivision a of  
9 section six hundred four-b of this article shall contribute two percent  
10 of annual wages to such system effective on the starting date of the  
11 elimination of additional member contributions, as defined in an  
12 election made pursuant to paragraph ten of subdivision e of section six  
13 hundred four-b of this article, provided, however, that such a member  
14 who is a New York city revised plan member shall contribute six percent  
15 of annual wages to such system.

16 c. Notwithstanding any other provision of law to the contrary, a  
17 person whose membership in a public retirement system has terminated  
18 other than as a result of transfer, retirement or death, or a member of  
19 a public retirement system who is not vested and not entitled to any  
20 other benefit from such system under this article, and who no longer is  
21 employed by a participating employer of such public retirement system in  
22 a position upon which his or her membership is based, may withdraw his  
23 or her member contributions by filing a written demand for withdrawal of  
24 contributions and membership pursuant to rules and regulations promul-  
25 gated by the public retirement system of which he or she is a member.  
26 Upon the death of a person whose membership previously terminated due to  
27 lack of credited service and who did not withdraw his or her member  
28 contributions, or upon the death of a member, provided a death benefit

1 pursuant to section six hundred seven of this article is not paid, the  
2 member contributions of such person shall be refunded to such person as  
3 he or she shall have nominated to receive a death benefit by written  
4 designation duly executed and filed with the public retirement system  
5 or, in the absence of such designation, to his or her estate. For  
6 purposes of such refunds, interest shall be credited at the rate of five  
7 percent per annum compounded annually to the date of termination of  
8 membership. Provided, however, if a death benefit is paid pursuant to  
9 section six hundred seven of this article, such benefit shall be in lieu  
10 of the refund of such contributions pursuant to this subdivision, howev-

13 provision of law to the contrary, a member may, upon separation from  
14 service of the state or a participating employer, withdraw his or her  
15 member contributions pursuant to the applicable provision of law until  
16 such date as such individual has accrued ten years of credited service  
17 in such system. However, the withdrawal of contributions pursuant to  
18 this section by an individual who has accrued at least five years of  
19 creditable service shall terminate his or her membership and all rights  
20 in such retirement system in the same manner as withdrawal of contrib-  
21 utions would terminate the membership of an individual who has not  
22 attained vested status. Nothing in this section shall be construed as  
23 permitting an individual who has accrued at least ten years of credit in  
24 a retirement system to withdraw member contributions, or twelve years of  
25 credit in a public retirement system of the state for members who first  
26 become members of a public retirement system of the state on or after  
27 July first, two thousand eleven.

1 f. Anything in subdivision a of this section to the contrary notwith-

4 employees' retirement system on or after January first, two thousand ten  
5 shall contribute four percent of annual wages to the New York state and

7 who first become members of the New York state and local employees'  
8 retirement system on or after July first, two thousand eleven shall  
9 contribute six percent of annual wages to the New York state and local  
10 employees' retirement system. The head of the New York state and local  
11 employees' retirement system shall promulgate such regulations as may be  
12 necessary and appropriate with respect to the deduction of such contrib-  
13 ution from members' wages and for the maintenance of any special fund or  
14 funds with respect to amounts so contributed.

15 g. Members who first join the New York state teachers' retirement  
16 system on or after January first, two thousand ten shall contribute  
17 three and one-half percent of annual wages to the New York state teach-  
18 ers' retirement system, provided however that such employees who first  
19 become members of the New York state teachers' retirement system on or  
20 after July first, two thousand eleven shall contribute six percent of  
21 annual wages to the New York state teachers' retirement system. The  
22 head of the New York state teachers' retirement system shall promulgate  
23 such regulations as may be necessary and appropriate with respect to the  
24 deduction of such contribution from members' wages and for the mainte-  
25 nance of any special fund or funds with respect to amounts so contrib-  
26 uted.

1 § 19-a. Section 650 of the retirement and social security law, as  
2 amended by chapter 746 of the laws of 1989, is amended to read as

9 (ii) who holds the position of assistant bridge and tunnel maintainer,  
10 bridge and tunnel maintainer, senior bridge and tunnel maintainer or  
11 laborer with the Triborough bridge and tunnel authority, provided,  
12 however, that this article shall not apply to a New York city revised  
13 plan member (as defined in subdivision m of section six hundred one of  
14 this chapter).

15 § 19-b. Paragraphs 1 and 1-a of subdivision b of section 911 of the  
16 retirement and social security law, paragraph 1 as amended by section 5  
17 and paragraph 1-a as added by section 6 of part C of chapter 504 of the  
18 laws of 2009, are amended to read as follows:

19 1. Subject to the provisions of paragraph one-a of this subdivision,  
20 and except as provided in paragraph one-b of this subdivision, an eligi-  
21 ble member (i) with a date of membership in a retirement system on or  
22 after July twenty-seventh, nineteen hundred seventy-six and (ii) who has

27 thirteen of this chapter as of the cessation date.

1 1-a. Notwithstanding the provisions of paragraph one of this subdivi-  
2 sion or any other provision of law to the contrary, and except as  
3 provided in paragraph one-b of this subdivision, a member of the New  
4 York city teachers' retirement system or the New York city board of  
5 education retirement system:

6 (i) who is a twenty-seven year participant in the age fifty-five  
7 retirement program (as defined in paragraph twelve of subdivision a of  
8 section six hundred four-i of this chapter), and

9 (ii) who becomes subject to the provisions of article fifteen of this  
10 chapter after the effective date of this paragraph, shall contribute to  
11 a retirement system pursuant to section six hundred thirteen of this  
12 chapter until he or she has completed twenty-seven years of credited  
13 service.

14 § 19-c. Subdivision b of section 911 of the retirement and social  
15 security law is amended by adding a new paragraph 1-b to read as  
16 follows:

18 city uniformed correction/sanitation revised plan member (as defined in

11 wages earned during any year of credited service included in the period  
12 used to determine final average salary exceeds the average of the wages  
13 of the previous four years of credited service by more than eight  
14 percent, the amount in excess of eight percent shall be excluded from  
15 the computation of final average salary, provided further that "wages",  
16 as used in this paragraph, shall mean the applicable provisions and  
17 limitations of the term "wages", as defined in subdivision l of section  
18 six hundred one of the RSSL.

19     § 27-e. Nothing contained in sections twenty-seven-a, twenty-seven-b  
20 and twenty-seven-c of this act shall be construed to create any contrac-  
21 tual right with respect to members to whom such sections apply. The  
22 provisions of such sections are intended to afford members the advan-  
23 tages of certain benefits contained in the internal revenue code, and  
24 the effectiveness and existence of such sections and benefits they  
25 confer are completely contingent thereon.

26     § 28. Notwithstanding any provision of law to the contrary, nothing in  
27 this act shall limit the eligibility of any member of an employee organ-  
28 ization to join a special retirement plan open to him or her pursuant to

1 a collectively negotiated agreement with any state or local government  
2 employer, where such agreement is in effect on the effective date of  
3 this act and so long as such agreement remains in effect thereafter;  
4 provided, however, that any such eligibility shall not apply upon termi-  
5 nation of such agreement for employees otherwise subject to the  
6 provisions of article twenty-two of the retirement and social security  
7 law, provided further that this section shall not be construed as  
8 authorizing any member who first joins a public retirement system of the  
9 state (as defined in subdivision twenty-three of section five hundred  
10 one of the retirement and social security law) on or after July first,  
11 two thousand eleven to become a participant in any of the special plans  
12 established by section five hundred four-a, five hundred four-b, five  
13 hundred four-d, six hundred four-a, six hundred four-c (as added by  
14 chapter ninety-six of the laws of nineteen hundred ninety-five), six  
15 hundred four-d or six hundred four-i of the retirement and social secu-  
16 rity law or section 13-157.1 or 13-157.4 of the administrative code of  
17 the city of New York.

18 § 29. No enhancement, increase or other alteration or change in the  
19 benefit structure provided herein shall be authorized.

20 § 30. Severability clause. If any clause, sentence, paragraph, subdi-  
21 vision, section or part of this act shall be adjudged by any court of  
22 competent jurisdiction to be invalid, such judgment shall not affect,  
23 impair, or invalidate the remainder thereof, but shall be confined in  
24 its operation to the clause, sentence, paragraph, subdivision, section  
25 or part thereof directly involved in the controversy in which such judg-  
26 ment shall have been rendered. It is hereby declared to be the intent of  
27 the legislature that this act would have been enacted even if such  
28 invalid provisions had not been included herein.

1    § 31. This act shall take effect July 1, 2011, provided that the  
2 amendments to subdivision a of section 603 of the retirement and social  
3 security law made by section twelve of this act shall be subject to the  
4 expiration and reversion of such subdivision pursuant to section 13 of  
5 chapter 682 of the laws of 2003, as amended, provided, further that the  
6 provisions of sections twenty-seven-a, twenty-seven-b and twenty-seven-c  
7 of this act shall remain in force and effect only so long as, pursuant  
8 to federal law, contributions picked up under such sections are not  
9 includable as gross income of a member for federal income tax purposes  
10 until distributed or made available to the member.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would require new members who first join public retirement systems in New York State on or after July 1, 2011 to become covered under the provisions of a new defined benefit plan.

Insofar as this bill would affect the New York State and Local Employees' Retirement System (ERS), the significant design changes to the defined benefit plan include:

1. Employee contributions of 6% of pay for all years of service, except state correction officer contributions would be limited to 30 years of service,

2. The service retirement benefit would be one-sixtieth of FAS for the first 30 years of creditable service, and 1.5% of FAS in excess of 30 years,

3. Members in regular plans (those that require attainment of a certain age as opposed to those that require the accumulation of a certain amount of service credit) must attain age 65 before they may receive a service retirement benefit,

4. Final average salary (FAS) would be based on a 5 year average, with no year's salary permitted to exceed 8% of the average of the previous 4 year's salary,

5. Annual overtime paid at a rate greater than the standard rate of pay would not be included in the definition of wages and final average salary,

6. Reportable salary may not exceed the salary of the Governor of the state of New York, which currently is set in law to be \$179,000 (the reportable salary would change when the Governor's salary does),

7. Lump sum vacation pay, any form of termination pay and additional compensation paid in anticipation of retirement would no longer be included in a member's final average salary,

8. Service credit for unused sick leave time would no longer be granted,

9. Twelve year vesting.

If this bill is enacted, NYSLRS would calculate new plan rates for all ERS members who first enter on or after July 1, 2011. The long term expected annual employer contribution rate for new general members would be approximately 3.6% as compared to the current expected long term annual employer contribution rate for Tier 5 general members of approximately 8.7% of payroll. For fiscal year ending March 31, 2012, since the average Tier 5 employer contribution rate is approximately 12.6%, the new plan rate would be approximately 7.5%.

For ERS members in 20 or 25 year retirement plans that allow retirement without regard to age, the long term reductions from the Tier 5 billing rates would vary by plan and be approximately 4% to 5% of salary, with the fiscal year ending March 31, 2012 reductions averaging approximately 5.5% to 7.0% of salary.

Insofar as this bill would affect the New York State and Local Police and Fire Retirement System (PFRS), the significant design changes to the defined benefit plan include:

1. Employee contributions of 6% of pay for all years of service, except members enrolled in a plan that limits the amount of creditable service which may be accrued would not be required to contribute after accruing the maximum amount of creditable service under such plan,
2. Final average salary (FAS) would be based on a 5 year average, with no year's salary permitted to exceed 8% of the average of the previous 4 year's salary,
3. Annual overtime paid at a rate greater than the standard rate of pay would not be included in the definition of wages and final average salary,
4. Reportable salary may not exceed the salary of the Governor of the state of New York, which currently is set in law to be \$179,000 (the reportable salary would change when the Governor's salary does),
5. Any form of termination pay and additional compensation paid in anticipation of retirement would no longer be included in a member's final average salary,
6. Members in regular plans (where retirement eligibility requires the attainment of a certain age as well as the accumulation of a certain amount of service credit) must attain age 65 before they may receive a service retirement benefit,
7. Service credit for unused sick leave time would no longer be granted,
8. Twelve year vesting.

The long term expected annual employer contribution rates for all PFRS members who first enter on or after July 1, 2011 would change as follows:

- minus 5.0% for municipal 20 year plans with additional 60ths,
- minus 5.7% for the state 20 year plan with additional 60ths,
- minus 4.8% for 20 year plans,
- minus 2.0 to minus 4.0% for regular plans to 25 year plans with add'l 60ths.

(For example, the long term expected employer contribution rate for a member covered by 384-e [municipal 20 year plan with additional 60ths] with employee contributions will decrease from 14.7% to 9.7%.)

There would also be additional administrative costs to inform employers and new members of the new plan provisions and to modify automated systems.

This estimate, dated June 2, 2011, and intended for use only during the 2011 Legislative Session, is Fiscal Note No. 2011-199, prepared by the Actuary for the ERS and PFRS.

**FISCAL NOTE.--Pursuant to Legislative Law, Section 50:**

This bill would amend various sections of the Education Law, the Retirement and Social Security Law, and the Administrative Code of the City of New York to implement a new retirement benefit structure (Tier 6) for members who first join a public retirement system of the state or New York City on or after July 1, 2011. The following provisions are with respect to members of the New York State Teachers' Retirement System. Members would be eligible for a service retirement benefit after rendering a minimum of twelve years of credited service and attainment of age 65. Members would not be permitted to receive a service or vested retirement benefit prior to the attainment of age 65. The service

retirement benefit formula for years of service up to 30 would be equal to one-sixtieth of final average salary times years of service. Years of service above 30 would have a benefit multiplier of 1.5%. Final average salary would be determined as the average of the highest five consecutive years of salary. Salary in excess of eight percent over the average of the four previous years would not be included in the final average salary. Members would be required to contribute six percent of annual salary for all years of service.

The current required employer contribution rate for the New York State Teachers' Retirement System is 8.62% of pay, applicable to 7/1/10-6/30/11 member salaries and to be collected in the fall of 2011. This rate is projected to increase to 11.11% for the 7/1/11-6/30/12 fiscal year. This rate is applicable to the salaries of all members, regardless of tier. In that this proposed benefit structure is only applicable to members joining on or after July 1, 2011, it will be several years before it has a noticeable impact on the employer contribution rate. The cost savings impact of this change will become more significant with time as the number of post-7/1/11 members grows as a percentage of the total membership.

Our "new entrant rate", a hypothetical employer contribution rate that would occur if we started a new Retirement System without any assets, is equal to 12.1% of pay under the Tier 4 benefit structure and 8.8% of pay under the Tier 5 benefit structure. This can be thought of as the long-term expected cost of the benefit structure, based on current actuarial assumptions. For the proposed Tier 6 benefit structure, this new entrant rate would be equal to 3.4% of pay.

With respect to the breakdown of the total plan cost into employer and employee portions, the long-term expected total cost of the benefit

structure for Tier 4 breaks down approximately as 90/10 employer/employee, for Tier 5 the split is 72/28 employer/employee, and for the Tier 6 benefit structure proposed here the split would be 36/64 employer/employee, based on current actuarial assumptions. Of course the employee contribution rate is fixed, while the employer contribution rate is variable as employers are responsible for overall funding and assume all risks and benefits associated with investment performance and demographic experience. The actual employer cost in a given year could be higher or lower than the cost projected above depending on how actual investment returns and demographic experience differ from what is projected.

The source of this estimate is Fiscal Note 2011-50 dated June 2, 2011 prepared by the Actuary of the New York State Teachers' Retirement System and is intended for use only during the 2011 Legislative Session.
